

## CALL FOR APPLICANTS

*Two programs at the Institut Pasteur in Paris for U.S. citizens*

### POST-DOCTORAL FELLOWSHIPS IN PARIS

These three-year fellowship positions are open to American post-doctoral scientists wishing to pursue research at the Institut Pasteur. With 2500 people of 60 nationalities, the 130 research labs of the Institut Pasteur are devoted to the basic science of improving global public health with particular emphasis on infectious diseases. Packages are \$70,000 per year for three years. For a list of labs and further application information, visit our website. **THERE ARE SEVERAL CALLS FOR APPLICANTS HELD ANNUALLY FOR THIS PROGRAM. THE NEXT DEADLINE IS IN FEBRUARY 2008; SEE WEBSITE FOR SPECIFIC DEADLINE INFORMATION.**

### UNDERGRADUATE SUMMER 2008 INTERNSHIPS IN PARIS

These 10-week internships at the Institut Pasteur, one of the world's leading private, nonprofit centers for infectious disease research, offer hands-on laboratory experience to undergraduates contemplating a scientific career. Applicants must be U.S. citizens. Living allowance is \$400 per week. See our website for information and downloads. **DEADLINE: DECEMBER 14, 2007.**

*Application and deadline information for both programs may be found at:*
