

## Call for Abstracts for the 18th Annual Duke Center for AIDS Research (CFAR) In-Person Fall Scientific Retreat

---

**RETREAT DATE:** Thursday, September 22, 2022; 9AM – 4PM

**ABSTRACT SUBMISSION DATE:** Friday, September 2, 2022

**ABSTRACT SUBMISSION LINK:** [Abstract Submission - 2022 CFAR Fall Scientific Retreat](#)

All pre- and post-doctoral trainees, as well as junior faculty conducting HIV/AIDS-related research at Duke are encouraged to submit an abstract for a poster presentation at the 18th annual CFAR Fall Scientific Retreat.

This is an opportunity to share your research design, progress, and new insights with others in the Duke University community. Final results are not required, and 'works in progress' and posters that have been recently presented at other meetings are welcome.

Each investigator submitting an abstract will be expected to attend the in-person poster presentation session at the retreat, and four abstracts will be selected for oral presentation. The one-page abstract will be published in the Fall Retreat Program and must contain the following sections: Background, Methods, Results, Impact and Conclusions. This year newly created posters (i.e., those not recently presented at another meeting) are encouraged to use the [Better Poster Design](#) to facilitate cross-disciplinary discussion.

\*Prizes for Best Poster will be awarded at the retreat, in the following research categories:

- Clinical
- Basic/Translational
- Social & Behavioral
- Quantitative

Posters may be set up beginning at 8AM on the day of the retreat, and should remain on display until the conclusion. There is no size restriction on posters, but please let us know if your poster will be larger than 48" wide. Final details on the poster session will be sent out in September.
