Conclusion

Are/Were you a Quantitative Methods in HIV/AIDS Summer intern?

- No
- Yes

Research Category for Prizes (choose one)

- Basic/Translational
- Clinical
- Social/Behavioral
- Quantitative

Are you a PhD student, postdoc, fellow, or NIH early-stage investigator doing research in HIV/AIDS with an interest in developing your quantitative skills? If so, the new HIV/AIDS Mentored Scholars in Quantitative Methods Program is for you! This one-year program is designed to provide you with the skills and knowledge you need to conduct cutting-edge quantitative research.
